HOW TO GET THERE

By clicking on www.tmb.net you will find the easiest way to get to the fields, from any point in Barcelona.

RULES

1. The football competition is 11-a-side.
2. The football competition follows the **FIFA rules**, except for an **unlimited number of substitutions**, but only when the match is at a standstill and only after notification of the referee.
3. Each player must wear a **numbered shirt** on the field, and have shin-pads. The T-shirts of all players should be the same colour.
4. At the beginning of the tournament, a match card should be completed by each team. This should include the names and shirt numbers of all the players on the team. This match card should be stored by tournament organisers for the period of the tournament. The referee will then use this match card to check all the names, badges and shirt numbers of the team at the beginning of each game.
5. A win counts for 3 points, a draw for 1 point and a loss for 0 points.
6. In case of a draw after the first round, the head-to-head match/es will be considered to define the placement. In case this doesn't get to a placement, the team with the most number of scored goals gets precedence over the team with equal points, but with fewer goals. In case this doesn't get to a placement, the team with best difference between scored goals and goals received gets precedence. Should this also not be able to take to a placement, 3 penalty kicks will be shot. In case of being the teams on different fields, a coin will be tossed on Field 1 by the Discipline Committee.
7. A draw during the knock out rounds will be decided by penalty kicks.
8. A team that shows up later than 5 minutes after the scheduled beginning of the match will lose the match by 3-0.
9. A red card means disqualification for the current match and a suspension for 1 match. In case there's an inappropriate behaviour by a player or trainer, the Discipline Committee will meet and decide the sanction, up to the full disqualification from the tournament, if there's a risk for the other players, referees or spectators. If a player or trainer is shown 3 yellow cards during the tournament, he will also be suspended for 1 match. A red card means disqualification for 1 match.
10. Shin-pads are compulsory to prevent player's injuries.

DISCIPLINE COMMITTEE

A Discipline Committee will be set up prior to the beginning of the tournament. The members of this Committee, formed by 3 people will be the Referee's Head Officer, the Organizer's Delegate and 1 player designated by the Organizer's according to his/her history in the LGTB Football Community.

They will meet in case one of the members considers it necessary to solve a problem in the tournament, or a team appeals to a decision of the organizers or the referees. Their decision is final.

TOURNAMENT SYSTEM

The Preliminary phase will be played following the single round-robin system. 16 teams will qualify for the A-tournament: 1st, 2nd ranking teams from each group and the best four teams ranked in 3rd place. In case there is a group with 3 teams, the 3rd ranking team will not qualify. Eight, Quarter-, Semi-, and Finals will be played on Knock Out system.

The teams not qualifying for the A- Tournament will play B-tournament with Quarter-, Semi, and Finals played on knock Out system.

The length of the matches will be 2 halves of 20 min, with a 5 min. pause.

Teams ranking 1st, 2nd, 3rd of A-tournament will win medals.

IMPORTANT NOTES

Please note that the schedules may suffer changes. Therefore we encourage you to check for any changes again at at the control points in each field on competition days.

Once the groups phase is finished, the crossing for the following day will be made and the teams would be informed in which fields, opponents and playing time they play on the following day. A representative of a team is required to stay at the fields till the crossing is completed.
